Exploring English Language Teaching Language

English as a second or foreign language is the use of English by speakers with different native languages. Language education for people learning English may be known as English as a second language (ESL), English as a foreign language (EFL), English as an additional language (EAL), or English for speakers of other languages (ESOL). The aspect in which ESL is taught is called teaching English as ...

TeachingEnglish | British Council | BBC

Language education refers to the process and practice of acquiring a second or foreign language. It is primarily a branch of applied linguistics, however can be considered an interdisciplinary field. There are four main learning categories for language education: communicative competencies, proficiencies, cross-cultural experiences, and multiple literacies.

Language education - Wikipedia

Yes, it's true that teachers are very often too busy to keep a formal reflective diary and go through every step in the check list. However, the idea behind that is important and we can alway reflect on our own teaching, though less formally.

Reflective teaching: Exploring our own classroom practice ...
